
Job Description

About us:

Established in 1980, NVD Limited is a highly reputable, family-owned business that assists vehicle manufacturers in the timely and incident-free distribution of their products throughout Ireland and the UK. Already Ireland's market leader in finished vehicle logistics, NVD continues to grow and expand rapidly in the UK, where our operating base is in Sunderland, UK.

Currently, we have several great job opportunities for HGV Class 1 (C1) Drivers to join our UK team as **Car Transporter Drivers**. Week on Week off rota is available to those who might be interested. We have roles based out of Swindon, Sunderland and Mallusk in Northern Ireland.

What we offer:

- **Permanent, full-time positions on a Monday to Friday basis.**
- **Competitive rates of pay.** Our Car Transporter Drivers typically earn between **£130 to £150 per day** where they achieve performance-related bonuses for safe driving, damage-free loads, etc.
- **Comprehensive, best-in-class Car Transporter Driver training.** This develops our Drivers and helps them perform to the highest standards.
- **A high-quality, modern fleet of trucks.** Since our Drivers will be required to be away from home and sleep up to four nights per week in the cab, we carefully maintain and regularly update our trucks to ensure safety and comfort.

About the job:

On a typical day, our Car Transporter Drivers:

- Follow a planned route to make sure that we service the right customers at the right time, and keep the Planning Office updated with any issues or changes at the end of each day.
- Sleep overnight in the vehicle while en route to delivery and collection points.
- Complete a daily vehicle check to ensure the vehicle is road worthy and that all checks are carried out in line with the 'Daily Vehicle Check' procedure.
- Drive in a safe and responsible manner, complying with all current Road Transport Regulations at all times.
- Safely load and unload the vehicle where deliveries and collections are taking place.
- Ensure the car transporter is loaded in a safe and legally compliant manner.
- Comply with all legislation and paperwork requirements in relation to the vehicles Tachograph (Digi or Manual).
- Ensure the vehicle is kept in a clean and presentable condition, both internally and externally, and any problems, such as accidental damage etc., are reported immediately.
- Assist in the safe loading and unloading of Company vehicles as and when required.
- Engage in ongoing training provided by the Company.
- Carry out any other reasonable duties as allocated by management.

About the Driver:

If you would like to work as a Car Transporter Driver with NVD UK, you must:

- Hold a full HGV Class1 Driving License, with full Digital Tachograph and valid CPC card.
- Have previous professional driving experience, such as HGV Class 1, Class 2, Plant, or Bus, etc.
- Must have experience sleeping in the cab overnight
- Demonstrate flexibility, resilience, and a positive, 'can-do' attitude.
- Have good problem-solving skills.
- Understand and comply with all health and safety requirements.
- Be comfortable working at heights and in confined spaces.

It is also desirable that you:

- Have good geographical knowledge of the UK.
- Are knowledgeable about Road Transport Regulations, to include Tachograph compliance.
- Are capable of using technological tools to include mobile applications, scanners and email.
- Have previous experience working in a dynamic, high-performance, results-driven environment.

If this sounds like you, and you are available to come to Dublin for an initial period of fully-paid, best-in-class Car Transporter Driver training, we want to hear from you!
