

National Vehicle Distribution is currently recruiting for **trainee Craftworkers x 2 in HGV Mechanics** for our Workshops in Baldonnell, Dublin.

We are seeking candidates with the necessary drive and determination to commit to this programme, acquire an accredited skill, and achieve a qualification for life. Successful candidates will have a technical and mechanical aptitude, will also display maturity and have a positive attitude and a willingness to learn.

NVD is an approved City & Guilds Learning Centre. As part of your training we will deliver

- Levels 1, 2 & 3 in the chosen trade discipline.
- City & Guilds trade qualification certificates have National & International recognition and are a compulsory requirement for a Craftsperson status.
- The 3-year training program comprises of classroom & on the job modules which will entail periods of study & practical workshop experiences.

The NVD craftworker training program will not require a lifetime commitment to the company, however, it will require you to be the very best you can be in return for an educational experience that will last a lifetime.

Established over 35 years ago, NVD has a proven history of successfully delivering training, in state-of-the-art facilities, to the highest professional level. This is a fantastic opportunity to be part of something special at NVD.

Why not take a different route and have the best of both study and working life and have it with National Vehicle Distribution.

NVD is not on any transport links and so you must be able to access Baldonnell easily. We can offer free car parking.

Apply by submitted an updated CV and outlining your any hands on experience you have working on car / trucks / engines / motors.

We pay €10 per hour for year one
